Item 1.01 - Entry into a Material Definitive Agreement

New ABL Facility Commitment Letter

On June 2, 2017, A.M. Castle & Co. (the “Company”) entered into a commitment letter (including the memorandum of terms and conditions attached thereto, the “New ABL Facility Commitment Letter”) with PNC Bank, National Association (“PNC”). The New ABL Facility Commitment Letter contemplates a \$125 million senior-secured, revolving credit facility for the Company (the “New ABL Facility”), to be entered into upon the effective date of the Company’s previously announced pre-packaged chapter 11 plan of reorganization (the “Plan”). Under the New ABL Facility Commitment Letter, PNC has agreed to act as Agent, Lead Arranger and Sole Book Runner of the New ABL Facility. The New ABL Facility Commitment Letter sets forth certain of the anticipated terms and conditions of the New ABL Facility. Consummation of the New ABL Facility will be subject to the completion of definitive documentation, the satisfaction of certain conditions, including bankruptcy court approval thereof, and the payment by the Company of required fees and expenses.

The proceeds of the New ABL Facility, upon closing, would be used to (a) refinance certain existing secured debt of the Company and its subsidiaries, including debt under a DIP Facility (as defined below in this Current Report on Form 8-K), (b) pay fees and expenses related to this transaction, (c) satisfy ongoing capital expenditures, and (d) provide for the ongoing growth and working capital needs of the Company and certain of its subsidiaries.

Interest on New ABL Facility indebtedness is expected to accrue based on the applicable LIBOR-based rate, as set forth in the New ABL Facility Commitment Letter. The obligations of the Company and its existing and future subsidiaries are, subject to certain conditions, to be secured by a first-priority perfected security interest in all or substantially all of their respective assets and the Company’s equity interests in its subsidiaries.

Under the New ABL Facility Commitment Letter, and in consideration for PNC’s commitment, the Company has agreed to pay PNC a customary deposit for reasonable costs and expenses that may be incurred by PNC in connection with the transactions contemplated by the New ABL Facility Commitment Letter, which deposit is subject to reduction on a dollar-for-dollar basis to reflect a credit for the deposit to be paid by the Company to PNC in connection with the DIP Facility, and further subject to refund (less costs incurred) if the New ABL Facility does not close. The Company is required to obtain an order of the bankruptcy court approving the Company’s reimbursement and indemnification obligations under the New ABL Facility Commitment Letter and to work exclusively with PNC to consummate the New ABL Facility until the New ABL Facility Commitment Letter expires.

The New ABL Facility Commitment Letter expires on the earlier of (a) July 31, 2017, if substantially final definitive documentation has not been negotiated between the Company and PNC on or prior to such date (unless otherwise extended in writing by the Borrower and PNC, each in their sole discretion); (b) August 31, 2017 (or such later date as may be agreed in writing by Borrower and PNC, each in their sole discretion), if the New ABL Facility has not closed on or before such date; or (c) upon the closing of the New ABL Facility.

DIP Facility Commitment Letter

On June 2, 2017, the Company entered into a commitment letter (including the memorandum of terms and conditions attached thereto, the “DIP Facility Commitment Letter”) with PNC. The DIP Facility Commitment Letter contemplates an \$85 million senior-secured, revolving debtor-in-possession credit facility (the “DIP Facility”), the proceeds of which would be used to repay certain existing debt and provide additional working capital to enable the Company to implement the restructuring of the Company’s debt and equity under the Plan. Under the DIP Facility Commitment Letter, PNC has agreed to act as Agent, Lead Arranger and Sole Book Runner of the DIP Facility. The DIP Facility Commitment Letter sets forth certain of the anticipated terms and conditions of the DIP Facility. Consummation of the DIP ABL Facility will be subject to the completion of definitive documentation, the satisfaction of certain conditions, including bankruptcy court approval thereof, and the payment by the Company of required fees and expenses.

The purpose of the DIP Facility is to (a) refinance certain existing first lien loan obligations of the Company, (b) pay fees and expenses related to the DIP Facility, and (c) provide for on-going working capital needs to, among other things, pay for administrative expenses incurred by the Company, subject to an approved budget.

Interest on DIP Facility indebtedness is expected to accrue based on the applicable LIBOR-based rate, as set forth in the DIP Facility Commitment Letter. The obligations of the Company and its debtor subsidiaries are to be (i) entitled to super-priority administrative expense claim status pursuant to the Bankruptcy Code with priority over any administrative expenses of a kind specified in the Bankruptcy Code, subject to a carve-out for certain specified bankruptcy-related fees and expenses; and (ii) secured, pursuant to the Bankruptcy Code, by a first-priority perfected security interest and lien on all or substantially all of the Company’s and its debtor subsidiaries’ respective assets and the Company’s equity interests in its subsidiaries, subject to such carve-out.

Under the DIP Facility Commitment Letter, and in consideration for PNC’s commitment, the Company has agreed to pay PNC a customary deposit for reasonable costs and expenses that may be incurred by PNC in connection with the transactions contemplated by the DIP Facility Commitment Letter, subject to refund (less costs incurred) if the DIP Facility does not close.

The DIP Facility Commitment Letter expires on the earlier of (a) June 30, 2017 (or such later date as may be agreed in writing by Borrower and PNC, each in its sole discretion) if the DIP Facility has not closed on or before that date or (b) upon the closing of the DIP Facility.

A.M. CASTLE & CO. ANNOUNCES COMMITMENT LETTERS FOR POST-RESTRUCTURING AND DEBTOR-IN-POSSESSION CREDIT FACILITIES

Closing of Agreements with PNC Bank Will Provide Additional Funds to Support Business Operations and Growth Opportunities During Prepackaged Restructuring Proceeding and Thereafter

OAK BROOK, IL, June 5, 2017 - A. M. Castle & Co. (OTCQB: CASL) (the “Company” or “Castle”), a global distributor of specialty metal and supply chain solutions, today announced that it has executed commitment letters with PNC Bank, National Association for (1) a \$125 million senior-secured, revolving credit facility (the “New ABL Facility”) that will close when Castle completes its prepackaged financial restructuring later this summer and will be utilized, in part, to repay certain existing debt; and (2) an \$85 million senior-secured, revolving, debtor-in-possession credit facility (the “DIP Facility”), as needed, during the Company’s restructuring. The closing of the New ABL Facility and the DIP Facility are each subject to the closing conditions set forth in the respective commitment letters, including, without limitation, definitive documentation and bankruptcy court approval.

Executive Vice President and Chief Financial Officer Patrick Anderson commented, “We believe that reaching these agreements with PNC, an established lender to the metals industry, will be extremely advantageous to Castle as we complete our financial restructuring, allowing us to emerge a financially stronger company. PNC’s commitment to providing working capital at competitive rates will significantly reduce our cost of capital resulting in substantial cash interest savings of at least 70% from our current annualized rate of approximately \$36 million which will help us deliver on our promise of growing our partnerships with our vendors and improving our service to our customers.”

As previously announced, the Company has solicited votes on its proposed Prepackaged Joint Chapter 11 Plan of Reorganization (the “Plan”) and expects to announce the results of the solicitation shortly. The Plan, supported by the Company’s existing liquidity and further buttressed by the DIP Facility, upon a closing thereof, provides that the Company will continue to operate business as usual, including paying all vendors in a timely manner, delivering product to its customers without any change in quality or on-time performance, and continuing to compensate its employees competitively and timely. When Castle completes its proceeding later this summer, anticipated to be within 45 to 60 days of commencement, the New ABL Facility will be used to refinance certain existing secured debt of the Company, any DIP Facility borrowing and will provide additional capital, supplementing funds contributed by certain new money notes, to support the Company’s uninterrupted operations as it emerges from bankruptcy court protection.

President and CEO Steve Scheinkman concluded, “We are very pleased that the path we laid out on April 7 continues to progress as we envisioned. These agreements with PNC are another step in delivering what we promised to all our stakeholders regarding the restructuring, and we look forward to announcing our next steps in the coming weeks and completing the restructuring this summer, as we originally planned.”

Additional details regarding the New ABL Facility and DIP Facility commitment letters can be found in the Company’s Current Report on Form 8-K, filed with the United States Securities & Exchange Commission on June 5, 2017.
